DENTISTS AT WOODWAY

ISSUE 2 | 09/7/2024

THE NEWS

These hard economic times are impacting us all. We are trying very hard not to raise prices.

Our office has not raised our standard fees in several years despite all the business cost increases over the recent years. Our office is feeling the full weight of these increases and will continue to provide premium care at affordable prices.

Update Patient Paperwork: The Texas Dental Board requires updated patient information and health history once annually even if there are no changes to be made.

Office Visits: Patients will be billed each visit with the exception of some post-operative appointments and follow-ups.

Insurance Updates: If you have new insurance, please notify us prior to your dental appointment to allow us enough time to verify your benefits.

Patient Discounts: See the VIP Membership Plan information for our current patient discount offered. VIP Plan may not be utilized in conjunction with any other insurance and/or discount.

Office Policy: Same day cancellations and/or No Show fees are based on the appointment. If you have reserved more than one appointment time due to lengthy procedure or multiple appointments, the fee will be adjusted accordingly.

Temporary Work: Any temporary work performed to get a patient through must be paid for and will not be covered by any warranty due to the temporary nature.

NightGuard: When clenching/grinding is diagnosed and a custom nightguard is recommended and you decide not to get one, we will not be able to warranty the work done due to the destructive nature of teeth clenching and/or grinding.

KNOW YOUR BENEFITS

As a courtesy, we verify your general benefits, however, many insurance policies come with extensive stipulations such as a missing tooth clause, waiting periods and special consideration for many services. Insurance estimates are provided as a courtesy and are not a guarantee of benefits and/or what they will pay. If the procedure can wait, there is also the option of submitting for a pre-treatment estimate from the insurance carrier.

VIP MEMBERSHIP PLAN

\$250.00 for the primary member and

\$125.00 for additional family members in the same household.

Membership includes 2 dental exams, 2 regular dental cleanings, a full set of diagnostic x-rays and 25% of any other services (not valid for teeth whitening or any other products).
